

THE DAILY BULLETIN.

WEDNESDAY EVE., SEPT. 17, 1884.

ROSSER & McCARTHY,
Publishers and Proprietors,
To WHOM ADDRESS ALL COMMUNICATIONS

Blow the conch,
Sound the slogan,
The colored club
For Blaine and Logan,
At crack of whip
Have bowed the back
For Massa Wadsworth's
On the track.

The rain this morning has abolished the dust nuisance at least.

The Eagle is patching its boilers and hence failed to raise steam this week.

Mr. D. P. Judd, an old and valued citizen of Chester, died at his home in that place last night.

Mr. G. W. Sulzer has sold his interest in the furniture factory to Mr. Charles Dobyns, of the firm of W. B. Mathews & Co., and will engage in other business.

The New Republican will be offered at public sale, at the court house door, on Friday morning at ten o'clock, by Mr. S. S. Riley, assignee of Messrs. C. C. & E. R. Blaine.

Geo. Smith, a flood dreamer at Augusta, has dreamed that the next flood in February, 1885, will be seven feet higher than the last one. In 1833 his dream missed the raise about two feet, in 1884 the discrepancy was only one quarter of an inch.

The conference of the M. E. Church, South, in session at Mt. Sterling, adjourned on Tuesday. Rev. H. P. Walker was appointed the Presiding Elder of this district, and will hold quarterly meeting in this city next Sunday. Dr. J. A. Henderson has been returned to this station.

The colored Blaine and Logan club having been ordered to fall into line, have decided to toe the mark for Mr. Wadsworth. So says a set of resolutions signed by I. H. Natas, chairman. This vote naturally belongs to the Republican party. Now is it not humiliating that the friends of Mr. Wadsworth, on bended knees, have to beg it for him? We saw the resolution and recognized the handwriting. It was that of a prominent white Republican.

The sad intelligence was received this morning of the death of Mr. Richard Piper, at Decatur, Ill., on Monday evening, the 16th inst. His death was from the effects of an injury caused by the runaway accident, near this city, about five months ago, which resulted in the fatal injury of Miss Julia Everett. Mr. Piper was a nephew of Major Thomas J. Chenoweth and Mrs. Laura C. Dimmitt, of Maysville. The news of his death will be learned with the deepest regret by a wide circle of friends.

If any one really blamed Judge Wall for being absent when the recent Democratic Conventions were held in Maysville, it was very unjust to him. His absence was rendered necessary by duties superior to all others.—Eagle.

The Democrats of Mason County never had a chairman who was more attentive to his duties than Judge Wall, and we are very sure he is not censured for his unavoidable absence. The dangerous illness of a near relative required him to be away at New York and prevented his presiding at the recent County Convention. His rulings have invariably been satisfactory to the party and have been what he believed to be fair and just. He was a good officer.

His Irish friends say that Mike McCarthy has a soul that belongs to him.—Eagle.

If the above is intended to mean M. J. McCarthy of this paper, it is doubtless printed by the Eagle for the purpose of conveying the impression that he favors the election of Mr. Wadsworth for Congress. If it is printed with any such intention it will fail of its end, as Mr. Powers has no warmer and more earnest supporter in the district. Mr. McCarthy is fully in accord with the sentiments expressed by the paper of which he is one of the proprietors, and he asks that his friends will not be misled by any insinuation to the contrary.

The colored Blaine and Logan club, which embraces only a small part of the colored population of Maysville, in endorsing Mr. Wadsworth, have approved all of his slavery record. They practically commend him for voting against emancipation in every form that the question came before Congress, and approve of his efforts to keep them in bondage. If any of the Club have ever served as soldiers in the Federal army we direct their attention to the following utterance made by Mr. Wadsworth when it was proposed in Congress to employ colored soldiers: "Our bought soldiers, if Africans, would be a dearer purchase than Hessians, and occasion more disgust to our people." The club should also remember that Mr. Wadsworth, at the election two years ago, refused to vote for Asbury, the colored candidate for Register of the Land Office.

A War Worn Veteran Surprised.

Another holder of a part of ticket 15-365, drawing \$75,000, August 12th, in the Louisiana State Lottery, collected his money yesterday. Mr. Louis Seymour presented his check and was perfectly cool and pleasant. He is a native of Memphis, was at the battle of Shiloh under General Beauregard. His health, impaired in the army, was much worse and he came here to benefit himself, and he has worked on the world's fair buildings in New Orleans. He has stuck to it steadily for nearly five months. He believed in luck and never failed to purchase a ticket in the Louisiana State Lottery.—New Orleans Picayune, August 16th, 1884.

Sales of Land.

The following transfers of real estate have been recorded at the office of the County Clerk, since our last report:

COUNTY POINTS.

Maysville.

Miss Nannie S. Brookings, of Murphysville, is spending a few days at Dr. Law's, near this place.

Mrs. Joseph Chanslor, nee Miss Iona Williams, left for her home in Missouri last Tuesday morning to the regret of her many friends.

A. G. Wilson is on the war path again taking in his circuit and marking the resting place of the dead with S. J. Daugherty's fine monuments.

John T. Wilson and wife and Miss Nannie Smith, are now in the city and will spend several weeks visiting all the points of interest before they return.

The Ironside Baptist Association blazed last Sunday, they occupied all three of the churches and they were all well filled. Such a crowd has not been in this place since the last big show.

Murphysville.

Wm. Wright has gone to Indiana.

Miss Mattie Fleming visited friends in Fleming County last week.

Bessie Lane, our toll gate keeper, catches the boys at all times in the night.

John Worthington supplies our neighbors with nice beef every Saturday morning.

Our school opened with thirty pupils and is taught by Miss Edna Waddell, of Millersburg.

Pleasant Retreat seems to be the headquarters for the Shannon boys of a Sunday afternoon.

J. H. Richey, the picture man, left us yesterday and will pitch his tent at Washington next.

E. L. Gault, Captain of the Elite base ball club, left for Kansas last week to make a short visit.

J. E. Rhodes & Co., and Gault & Son, our tobacco merchants, will soon wind up packing tobacco for this season.

Somehow the young ladies of this place don't seem to grasp the leap-year idea as they should. They count to 45 around and spend their time and money on the young men who have to do that sort of thing three years on the stretch. Leap year was designed expressly to give the young men a financial rest, as it were, and they need it.

Sardis.

"Licking Association of United Baptists."—

Did you ever visit one of these convocations? There is an interest about them which must be felt to be appreciated. Mayslick can boast of having one—an association of "Hard Shell Baptists." Including wives and daughters and visiting brethren there were two hundred delegates, ministers and laymen.

Now to astonish you still more they were all entertained most sumptuously by four families from Thursday until Monday—Messrs. Franklin, Joel, Anthony and Mrs. Zobe Laytham playing host and hostess most delightfully seconded by the young folks at home.

Among the clergy we met Elders W. J. Parrington, of New Jersey; R. M. Thomas, of Missouri; William Pollard, of Canada; Banks and Baris, of Ohio; Jackson, Weaver, Caudell, Comor and Helm, of Indiana, and Newkirk, Moore, Wallingford, Demaree, Jones, Hawkins and Watson, of Kentucky.

Instead of finding these as they had been characterized to us as the fossil relics of an antediluvian world we found them dignified, serious christian gentlemen, alive to all genialities of the social circle and able and edifying in their pulpit ministrations. The closing service at the inviting home of Mr. Frank Laytham, on Friday evening, was a very impressive one. Elder Parrington was in his happy mood. The evening sun was sending his farewell radiance over the many colored glories of a September landscape. The picturesque lawn, the spacious residence, the gorgeous woodland shone in the declining day beams. The twilight deepened and the minister almost inspired by the scene and the appreciative auditory asked the Savior to breathe an evening blessing and to make each life in the divine presence as tranquil and lovely in its close as the beautiful sunset.

ANTAGONISM TO BELGIUM

Between Clericals and Liberals is Becoming Uncontrollable.

LONDON, Sept. 17.—The antagonism in Belgium between the Clericals and Liberals is becoming uncontrollable, and threatens to result in civil war. The Brussels newspapers are flooded with letters from sanguinary Liberals urging the press to publish a signal for a rising against the Clerical party. The writers promise that when the tocsin is sounded there will be no lack of armed men to enforce the demands of the people. Many members of the nobility, although nominally Catholics, are full of indignation against the Clerical programme, which they look upon as tending to subvert their established rights. These noblemen are exasperated at the action of the peasants in voting almost solidly for the Clericals, and they propose a variety of reprisals. Those of them who are large landholders propose to take revenge upon their tenants by remaining absent from their property, spending their money in Antwerp and Brussels, and by evicting the farmer tenant whenever they can find a legal pretext for such action. The Catholic journals of Brussels, such as La Belgique and the Journal de Bruxelles, have been for many days urging the boycotting of Brussels tradesmen, in revenge for the action of the Liberal mobs which have threatened and attacked Clerical processions in Brussels. These incitements are now producing their effects, and life is made a burden to commercial travelers going through the provinces as representatives of Brussels business houses. In several instances these drummers have been threatened with lynching, and some of them have been glad to escape with their lives, leaving trunks full of costly samples to assume the fury of the mobs.

THE LIQUOR QUESTION.

A Saloon Stock at Keokuk Changing Hands Very Rapidly.

KEOKUK, Ia., Sept. 17.—The war on the saloons assumed a new phase to-day, in which the liquor men took a bold and aggressive stand. Yesterday the stock of Brown & Crocker, of the Senate saloon, was seized upon a search warrant sworn out by the President of the Law and Order League. Brown & Crocker secured a writ of replevin from the Clerk of the District Court, gave bond for damages, and the Sheriff demanded the liquors of the Constable, who gave them up. The President of the Law and Order League then got out a new warrant and seized the liquor of Brown & Crocker at the Standard House and the Senate Saloon. Part of the seizure included the replevin goods. The liquors are now guarded by an officer. The attorneys of the Law and Order League assert that the liquors can not be replevined, and that the Supreme Court has so held. A motion will be made in the District Court to dissolve the injunction and ask for the return of all the liquors. Another motion will be before Justice Lynch, who issued the search warrant, asking to have Brown & Crocker and their attorneys, and the law officers brought into court for contempt. The grand jury, in session, and further action by the temperance people, they say, will be to secure a dictation of the parties mentioned for a conspiracy. The fight between the liquor men and the Law and Order League over the enforcement of the Prohibitory Liquor Law is growing hotter, and further developments are eagerly looked for.

FRANCO-CHINESE WAR.

Mediator Asked for—Court's Estimate of China's Loss.

SHANGHAI, Sept. 17.—A large, influential meeting was held in the Chamber of Commerce Building, and a resolution adopted asking the powers to mediate in the Franco-Chinese difficulty.

PARIS, Sept. 16.—Admiral Courbet estimates that the Chinese losses, since the opening of hostilities, is 50,000,000.

LONDON, Sept. 16.—A Hong Kong dispatch to the Times says: Admiral Courbet's plan of a campaign is supposed to be to flank Ke Lung and march upon Tamsin, thus forcing the Chinese army southward where the rail tribes are hostile. A dispatch states this campaign will be a failure, as ten thousand troops from Tamsin will be inadequate to take Ke Lung, and the road to Tamsin is a mere ravine. The French have brought two launches here. The Chinese have ordered eight launches capable of carrying eight tons guns. Chinese operations in Tamsin have been suspended.

Got the Drop on Him.

GATESVILLE, Texas, Sept. 17.—Word reached here Monday of another death among stockmen which took place Sunday night about twenty miles out in the country. Robert Newland and Geo. Taylor became involved over the ownership of some hogs. Taylor raised his rifle to shoot Newland, when the latter drew a pistol and sent a bullet through Taylor's brain. As Taylor fell dead his rifle was discharged, the bullet grazing Newland's cheek. Both men were in comfortable circumstances. Newland has fled, but sent word he would surrender in a few days.

"A FRAUD"

Is What Dr. Potter Pronounces the Fast of Kate Smulley.

FR. PLAIN, N. Y., Sept. 17.—Dr. Darwin Potter has examined Kate Smulley, who is alleged to have eaten nothing since March 10. Dr. Potter's conclusion is that the girl is merely suffering from St. Vitus dance, and while it thinks the family honest, he pronounces the fasting a fraud and an impossibility, as the body is in a state of nourishment that could not possibly be obtained if there had been no food taken for 180 days, as claimed.

Shot His Companion.

JACKSONVILLE, Ill., Sept. 17.—Two young men named George Whitlock and Wesley Tannehill, of Franklin, in this county, were hunting Sunday afternoon, when Tannehill hearing a noise in some bushes, fired, the bullet striking Whitlock in the forehead, lodging in the brain. Whitlock is still alive but can not recover.

Murdered by Drunken Ruffians.

MONTREAL, Sept. 17.—A gang of drunken ruffians, after carousing in country taverns, Saturday night, forcibly entered the house of P. Rouleau, thirty-five miles from here, Sunday morning, and shooting Rouleau dead, while resisting them. After frightening the family they withdrew. The authorities are investigating.

A Canadian Embezzler.

MONTREAL, Sept. 17.—L. P. Herbert, cashier in La Banque de l'Hyacinthe, near here, has embezzled \$50,000 of the bank's funds, as well as forged checks of clients for further sums and absconded to New York, where a detective has followed him. The bank may suspend, but will pay depositors in full.

Cure for Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, and a burning warms, is a common attendant. Blind, bleeding and itching piles yield at once to the application of Dr. Bosanque's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the itching, and effecting a permanent cure.
